20. Oregon public school sexual orientation curriculum. How to help parents navigate
21. Gender issues/LGBTQ ministry, subjective opinions on sexual standards in God's view
22. Ministries to people in same sex marriage & going through gender transition, Healthy sex in marriages
23. Creating a culture of honesty and transparency for men to share struggles with porn

24. Establishment of a written policy to deal with these issues. We have a Christian school that was an athletic program where games with public schools result in bathroom changing issues.
25. Porn addiction, marital infidelity
26. Theology of sexual wholeness/the body
27. Acceptance not affirmation culture

What would inspire you to bring your staff to the Sexual Integrity Leadership Summit?

1. Catholic presenter(s) alongside our Protestant brothers and sisters.
2. That fact that this will have a broad representation of Christian communities united on this issue and looking at it together.
3. That there are specific topics for youth workers
4. Discount for church staff & lead volunteers. Just being honest!
5. Hearing from pastors that are already integrating this at their churches.
6. Specific instruction about how to disciple 5 to 10 year old kids through issues around sexuality.
7. Nick's testimony was really helpful. It would be a great to see him on the Schedule as a speaker.
8. Practical help & time to process together and with others
9. How to talk with the person who says "I believe God would want us to all experience love and I'm attracted to the same sex."
10. My personal story of recovery from sexual bondage to sexual freedom.
11. Helpful promotion materials to use, red the rate (cost) for multiple attendees
12. Tools for staff, foundation of common language, assist with beginning the conversation.
13. Resources for staff development, resources for church body
14. We have a Christian school that was an athletic program where games with public schools result in bathroom changing issues.
15. Background checks that result in discovering sex offender issues - how do we respond to their desire to serve in the church?
16. We're very interested in bringing a team - understanding the quality of content & expected outcomes would be helpful
